Sergey Chemezov

Born in 1952.

He graduated with honors from the Irkutsk Institute of National Economy and completed advanced courses at the Military Academy of the Armed Forces General Staff of the Russian Federation. He has a PhD in Economics and is a professor.

He began his career at the Irkutsk Scientific Research Institute of Rare and Non-Ferrous Metals.

In 1980, Mr. Chemezov began working at the Luch experimental industrial association.

From 1983 until 1988, he managed Luch's representative office in the German Democratic Republic (GDR).

From 1988 until 1996, he worked as Deputy General Director of the Sovintersport export association.

From 1996 until 1999, Mr. Chemezov was Head of Department of Foreign Economic Relations in the Administration of the President of the Russian Federation.

From 1999 until 2001, he was CEO of Federal State Unitary Enterprise Promexport.

From February 2001, Mr. Chemezov worked as First Deputy CEO of Federal State Unitary Enterprise Rosoboronexport.

From 2004 until 2007, he was CEO of Federal State Unitary Enterprise Rosoboronexport.

Since 15 December 2007 – CEO and member of the Supervisory Board of Rostech, the state corporation for the promotion of development, production and export of high-tech industrial products.

Mr. Chemezov currently chairs the boards of directors of the following companies: PJSC Uralkali, JSC Rosoboronexport, PJSC VSMPO-AVISMA Corporation, PJSC Kamaz, JSC National Aviation Service Company.

Mr. Chemezov is a member of the Board of Directors of PJSC Aeroflot – Russian Airlines, JSC International Financial Club. He is president of the Russian Public Organization “Association of Machine Builders of Russia”.

³ The assessment of the Appointments and Remuneration Committee conforms to the assessment of the Board of Directors whereby Paul Ostling was recognized as an independent director, despite the fact that he had served on the Board of Directors of the Company for more than seven years. The Board of Directors believes that this does not affect Mr. Ostling's ability to make independent, objective and good-faith decisions. He is also well-known and respected for his reputation (including by investors) of someone who is capable of forming and holding an independent position.

Sergey Chemezov is an active member of the Academy of Military Sciences, Head of the Military and Technical Cooperation and High Technology Department at the Institute of Foreign Relations (MGIMO), member of the Higher Attestation Commission of the Ministry of Education and Science of the Russian Federation. Mr. Chemezov has published over 140 academic papers, including the following monographs: “Military and technical cooperation between Russia and foreign states: the experience of organizational design” (2001); “Strategic management of Russia’s defence industry and military and technical cooperation” (2006); “Russian military and technical cooperation in the XXI century: theory, methodology, and practice” (2007); “Strategic management of military and technical innovations in integrated corporate structures” (2009); “Multinational and state corporations: Macrologistical and practical foundations of development strategies in high technology” (2012); “Corporate governance for holding companies producing radio-electronic products for general and specific use” (2012); “State policy in the field of high technology” (2012); and others.

Mr. Chemezov is Chairman of the Board of Trustees of the Plekhanov Russian University of Economics, the Russian Cycling Federation and the Foundation for the Support and Development of Physical Education and Sports (“Sport” Foundation) and Co-Chairman of the “Family Circle” national programme. He is a member of the Board of Trustees of the Lomonosov Moscow State University; Moscow Institute of Foreign Relations; Gorchakov Foundation for Public Diplomacy Support; the Graduate School of Management of St. Petersburg State University; the Foundation for the Support of Scientific and Project Activities of Students, Graduate Students and Young Scientists called “National Intellectual Development”; the Governance and Problem Analysis Centre non-profit partnership; Charitable Foundation for the Reconstruction of the Cathedral of Christ the Saviour and Resurrection New Jerusalem Monastery; as well as an honorary member of the Board of Trustees of the Holy Trinity Lavra of St. Sergius. Sergey Chemezov is a member of the Supervisory Board of the Saint Cyril and Methodius Institute of Post-Graduate Studies.

Mr. Chemezov was awarded the Order for Service to the Fatherland of the second class (29 August 2012), third class (20 August 2007) and fourth class (20 August 2005); the Order of Honour (14 January 2002); the Order of Friendship (2009); the French Légion d’Honneur (2010); the Order for Merit to the Italian Republic of the Commander Class (26 November 2010); and orders of the Russian Orthodox church: St. Sergius of Radonezh of the first class; St. Seraphim of Sarov of the second Class; Holy Grand Prince Dmitry Donskoy of the second class; and Holy Prince Daniel of Moscow of the third class. He was recognised by the Government of the Russian Federation in science and technology in 2004; he won the “Person of the Year 2004” national award in the defence industry category established by the Russian Biographical Institute; he also holds the “Leader of the Russian Economy 2004” badge of honour from the International Practices and Russian Economy international forum and the Silver Sigma badge of honour from the Russian Academy of Sciences. Mr. Chemezov has also been recognised by the Suvorov Academy of Military Sciences.

Sergey Chemezov has served on the Board of Directors of PJSC Uralkali since March 2014 as an independent director⁴. He has chaired the Board of Directors of PJSC Uralkali since 26 March 2014.

Sergey Chemezov does not have a criminal record and has never been disqualified.

Mr. Chemezov has given written consent to be elected to the Board of Directors of PJSC Uralkali.

Elena Eskina

Born in 1980.

In 2003, graduated from the Higher School of Economics (State University) with a degree in Law.

In 2007, she graduated from the Financial Academy under the Government of the Russian Federation with a degree in Finance and Credit, specializing in securities market and stock exchange business.

In 2001-2005, Ms. Eskina worked in the legal department of JSC Sibur, where she held several positions including the Head of the of Judicial Protection Unit.

In 2007-2020, she headed the Corporate Department of JSC UCC Uralchem.
